

## **Northern Lights Exteriors of Denver, CO Awarded Best Of Houzz 2019**

*Awarded by Community of Over 40 Million Monthly Users, Annual BOH Badge Highlights Home Remodeling & Design Professionals with Top Ratings and Most Popular Home Designs*

[Denver, CO, January 25, 2019 – Northern Lights Exteriors of Denver, CO has won “Best Of Service on [Houzz](#)®, the leading platform for home renovation and design. The Exterior Restoration and Remodeling Company specializing in Siding, Roofing, and Replacement Windows was chosen by the more than 40 million monthly unique users that comprise the Houzz community from among more than 2.1 million active home building, remodeling and design industry professionals.

The Best Of Houzz badge is awarded annually, in three categories: Design, Customer Service and Photography. Design awards honor professionals whose work was the most popular among the Houzz community. Customer Service honors are based on several factors, including a pro's overall rating on Houzz and client reviews submitted in 2018. Architecture and interior design photographers whose images were most popular are recognized with the Photography award.

A “Best Of Houzz 2019” badge will appear on winners’ profiles as a sign of their commitment to excellence. These badges help homeowners identify popular and top- rated home professionals in every metro area on Houzz.

“We are truly honored to have been recognized for this award 3-years running. Customer Service, Project Transparency, and Quality Workmanship drive our team at Northern Lights Exteriors - we feel our client interactions are the biggest differentiator between our company and the competition.” - Kristen Cherry

"Best of Houzz is a true badge of honor as it is awarded by our community of homeowners, those who are hiring design, remodeling and other home improvement professionals for their projects," said Liza Hausman, vice president of Industry Marketing for Houzz. "We are excited to celebrate the 2019 winners chosen by our community as their favorites for home design and customer experience, and to highlight those winners on the Houzz website and app."

### **About Northern Lights Exteriors**

Northern Lights Exteriors is a full-service exterior remodeling contractor offering roofing, siding, replacement windows, gutters, house painting, and much more to home and business owners across Colorado. Simply put - we believe "It's What's On the Outside That Counts!"

The main differentiators we have over the competitors is our CORE VALUES of Communication and Transparency, our dedication to meticulous workmanship, and our ability to be the only contractor you need to hire for anything on the outside of your box!

We know that one of the biggest pain points for clients during a construction project is knowing where you are in the build process. Because of this, Northern Lights Exteriors designed and created proprietary software that allows you to access project information on-demand via a customized portal for your job. We guarantee you won't feel "out of the loop" - because you will always have a place to visually see the schedule, notes, delivery status', payments owed, and contract details.

We invest in our teams and crews and provide annual education courses to stay up to date on the best practices for warranty install requirements and other new product offerings. As a company we offer a wide range of options that will fit the needs of most design or budget ideas. From roofing products that will range between "keep you dry" to Storm and Impact Resistant products, as well as James Hardie Siding to vinyl - we will be able to find what's best for our clients without "pushing" you one-way or another. By having one contractor service all your property needs, it allows you to get a better deal and work more efficiently and handle all the details of your project from ONE SOURCE.

#### About Houzz

Houzz is the leading platform for home remodeling and design, providing people with everything they need to improve their homes from start to finish – online or from a mobile device.
